Mission Statement of Frank School:
The mission of Frank Elementary School, a community of life-long learners that value diversity, is to educate each student to reach their greatest potential & contribute to society through students, staff, families, & community working together on engaged learning, meaningful academic & social interventions, and service learning projects.

Expeditionary Learning schools inspire the motivation to learn, engage teachers and students in new levels of focus and effort, and transform schools into places where students and adults become leaders of their own learning. We provide a model that challenges students – even those starting with low skill levels – with high level tasks and active roles in the classroom. This model succeeds in urban, rural or suburban schools and at every grade level. www.elschools.org
Partnerships/Programs

- We are contracted as an Expeditionary Learning School
- Frank Neighborhood Project, YMCA, & Sheriff’s Department
- Community Learning Centers (CLC)
- Boys & Girls Club sports programs for 4th and 5th grade in football, basketball, and soccer.
