The school schedules take into consideration that two (2) inclement weather/other emergencies days have already been built into the schedule. In the event school is closed beyond the two days due to inclement weather or other emergencies, the make-up day for students shall be Friday, June 12, 2015, and the staff workday shall be Monday, June 15, 2015.

Prior to the end of each school year, calculations will be done to determine if every school in the District meets Wisconsin Department of Public Instruction required number of student contact days, hours, and minutes. If every school meets the above DPI requirements, the snow ("act of God") day(s) is/are forgiven. Otherwise, the snow ("act of God") days will not be forgiven. A thirty-minute student lunch period will be scheduled into the daily schedule.
